On 09/14/2016, fugitive Marc Snyder's (b) (6), (b) (7)(C) was briefly interviewed in the front doorway of (b) (6), (b) (7)(C) home (b) (6), (b) (7)(C)

At 8:00 a.m. Postal Inspector (b) (7)(F) and Special Agent (b) (7)(F) parked PI (b) (7)(F) government owned vehicle in the driveway of (b) (6), (b) (7)(C) behind a (b) (6), (b) (7)(C) license plate (b) (6), (b) (7)(C). I observed several upper floor windows open and a 12"x12" square UPS parcel addressed to (b) (6), (b) (7)(C) resting on the floor inside the foyer. SA (b) (7)(F) knocked on the front door several times without a response. A neighbor from (b) (6), (b) (7)(C) who stood smoking in his driveway, confirmed (b) (6), (b) (7)(C) was home and gestured that (b) (6) was probably sleeping.

At approximately 8:50 a.m. after knocking several more times (b) (6), (b) (7)(C) emerged. As PI (b) (7)(F) and SA (b) (7)(F) approached, (b) (6), (b) (7)(C) said (b) (6) was showering and did not hear us knocking. (b) (6), (b) (7)(C), and was carrying two cell phones, a single slice of bread, a black plastic knife, and a jar of almond butter. We identified ourselves and presented our credentials. SA (b) (7)(F) explained that we wished to speak with (b) (6), (b) (7)(C) immediately stated (b) (6) did not have time to speak with us because (b) (6) had an emergency and kept pointing to (b) (6) right cheek/mouth.

(b) (6), (b) (7)(C) stated (b) (6) did not know if (b) (6), (b) (7)(C) was in China or the United States. (b) (6), (b) (7)(C) further claimed (b) (6) had no contact information for him.

SA (b) (7)(F) informed (b) (6), (b) (7)(C) that an arrest warrant for drug distribution had been issued for Marc Snyder and he will be arrested when/if he enters the United States. Without commenting on the arrest warrant or the drug allegation, (b) (6), (b) (7)(C) again pointed to (b) (6) right cheek area and claimed to have an emergency. (b) (6) did not appear to be stressed except for a desire not to speak with us.

At approximately 8:53 a.m. (b) (6), (b) (7)(C), who never left the threshold of (b) (6) residence, returned inside while PI (b) (7)(F) and I departed.

At 9:20 a.m. I returned to (b) (6), (b) (7)(C) and found the (b) (6), (b) (7)(C) gone.
